About Us

At the Pilbara Disability Network, our mission is to enhance the lives of people with disabilities in the Pilbara region by fostering a community that is inclusive, accessible, and supportive. Guided by lived experience, we are dedicated to promoting equal opportunities, advocating for the rights of individuals with disabilities, and providing the resources needed to empower our community.

Our Goals

- Our advocacy efforts lead to significant improvements in public accessibility, including an increase in the number of accessible public facilities and housing options.
- Our information and referral services connect individuals and families to essential supports, dramatically improving their quality of life and independence.
- Our monthly meetings become a vital platform for community members to share their experiences and insights, leading to a more inclusive and supportive environment for all.
- Participation in our community awareness campaigns leads to a greater understanding of disability issues and increased community involvement.

Vision & Mission

People with Disability living a life full of opportunity in the Pilbara.

The International Day of People with Disability (IDPWD) is a globally recognised day that celebrates the achievements, strengths, and contributions of people with disability.

This year, the Pilbara Disability Network is proud to host a major community event in Karratha, designed to amplify lived experience, showcase inclusive practices, and connect people with disability with services, community groups, and employers.

The event will be held at the Red Earth Arts Precinct and will feature:

- Guest speakers with lived experience
- Interactive education and awareness activations
- Community and service provider stalls
- Sensory-friendly and accessible activities for all ages
- Food vans, coffee, and a shared morning tea
- Opportunities for the community to learn, engage and take action

We invite you to be a part of this movement for inclusion.
